

The event aims to:

1. Acquire new skills in enhancing professionalism in the workplace;
2. Describe and recognize potentials at work with key attributes that can benefit the organization and the workers in particular;
3. Explain and translate the data privacy act to be fully understood and adopted by librarians and information professionals in the current work setting;
4. Discuss and uphold the highest ethical standards in conducting research;
5. Provide a convenient venue for member institutions to make "live book selection" for collection development of their libraries;
6. Facilitate a harmonious relationship among stakeholders, industry partners, ALBASA management, and its members.
